The Heart of Conversation News Sheet

Vol 29, 2010

Paula Brown Animal Communications

"The little things? The little moments? They aren't little." Jon Kabat Zinn

Time to howl at the summer full moon, August 24th! Old wives tale, go out when the moon is full and hold up your check book to the moon and ask "let the full moon fill this up!" Let me know if this works. The little things in my life I am so grateful for because these are the things that make up the whole.

A quick note for a wonderful new book!
"Waiting for Rosie" by Skip Hayes

Please pick up a copy of Skip Hayes's new book "Waiting for Rosie". I had the pleasure of helping out with a communication with Rosie as she started her journey back to health when she was spotted wandering about in the Hollywood Hills; an outcast, suffering from severe skin disease. She is the catalyst for a new group of advocates for all animals and the environment. Waiting For Rosie \$14.95 + S&H is available at www.rosiecoyote.com All profits are donated to the wildlife rehabilitation organizations listed on the website. More about Rosie in the next news sheet!
