WHERE?

Ojai, CA is just sooo beautiful this time of year. Was fortunate to have a wonderful Fur Shui book signing at The Local Hero, Ojai! There are flower strewn building walls, pretty bricked paved pedestrian walks as well as great coffee shops, restaurants and artist gift shops. Make Ojai a "must" for a day or two to enjoy both nature as well as "village" life!

WHO, HOW AND WHAT?

Great food, organic and holistic treatments of animals is flourishing in Southern CA!!!

I for one am so very glad that my San Diego area is so full of holistic pet companies. With folks like the "Honest Kitchen" providing wonderful freeze dried human grade food/nutrition, along with "Dexter's Deli" great experts who take care to stock just the very best in all aspects of holistic care and fun, countless humane foster pet homes and no kill shelters like Rancho Coastal Humane, alternative Eastern (Chiro and Acupuncturists!) practitioners as well as sincere holistic minded Western vets...we are all truly blessed! There are some new folks on the block now who add to our well being! "Buddy's" at Flower Hill Mall, Del Mar, is doing fantastic with it's high quality offerings for your pets and "Howlistic" now giving downtown folks some great choices:

"HOWLISTIC" (See my Fur Shui "signings" for address, *come on May 3rd!*)
Natural, Holistic, and Organic Dog Wellness Center

Howlistic was founded on the ideal that the common products and knowledge available to canine caretakers aren't optimizing our animals' health. Our mission is to provide dogs (and cats) with the most health-promoting nutrition and lifestyle available. If our ideas and products aren't familiar to you, we're hoping to change that...your dog's health depends on it. Extensive selection of: Raw food and supplements, Healthy Dry and dehydrated food and treats, Eco-friendly lifestyle products and toys from US manufacturers. We also have a holistic resource section in the store with books, informational handouts, and space for guest lecturers and holistic practitioner workshops.

A beautiful gift poem esp. for "Mom's Day" (and "Dad's" as well!)

Thanks Judy I. from San Diego for sending this my way! Enjoy!

TEACHER *By Sally Atkins*

Inching slowly closer
In the warmth of early sun
He offers a blessing,
Rough and wet
To one bare foot,
Then the other.
Tsali moves closer still
Until we lie
Body to body,
Sigh and stretch,
I reach to touch,
Bury my face
In musky smell
Of golden fur.

Dark eyes regard my morning yoga
With an intelligence older than words.

There is an old story:
The Circle of Animals
Gathered to decide
What to do about the humans.
Wildcat, horse, and wolf
Volunteered to be domesticated
To teach us how to live.
