All motorists must drive with head out window.” *David Letterman*

Summer travel & adventure time! You must plan carefully as you travel with fur folk or leave them at home with great caregivers to make your trip great for all of you. **My 40 minute Facebook Live “Animal Talk” Q&A / Tips session will address “traveling with pets” on Thursday, July 25, 7PM: <https://www.facebook.com/TheHeartofConversation/>**

EVENTS AND MY NEWS FLASHES

As “Fur Shui” was first published I had the honor to give a talk and animal communication class with Kona Stories, a great bookstore south of Kona, HI. I met two greeter cats: Barnes and Noble. Noble, the sister of Barnes made the move to the new store to Keauhou Shopping Center. She made her transition June 17, leaving two people Joy and Brenda, and all her followers. This cat holds my heart love of the island, its people, its nature. If you are on the Big Island, please stop by this Saturday, July 13th “In honor of the best store cat ever”, Joy and Brenda are donating 10% of all sales to AdvoCATS. Milk & cookies and memorial Noble bookmarks will be given. Sweet kittens and cats will also be there to adopt. Share some Noble “Aloha”: <https://www.konastories.com/> Check out Fur Shui’s 2nd release: Larger format and Kindle. To purchase: [Fur Shui](#)

WHO, HOW, AND WHAT?

Time to pause, have fun, Summer is meant for recharging. Pets just like people need a break from their “jobs”. Although most pets thrive with a good schedule, now is the time for a bit of cool air from the mountains to the shore...or even a good fan at home. Pause to play with your pets! We all like to relax a bit with our favorite summer reads and walks...share time and create summer fun now with your fur folks. **Your Pet Perk for summer reading:** Read my blog post for THE GIFT OF STRESS MANAGEMENT: <https://bit.ly/2KKsNaL>
